

ILLINOIS INSTITUTE OF TECHNOLOGY UNDERGRADUATE AND GRADUATE BULLETINS

Illinois Institute of Technology is a private, technology-focused, research university offering undergraduate and graduate degrees in engineering, science, architecture, business, design, human sciences, applied technology, and law.

One of 21 institutions that comprise the Association of Independent Technological Universities (AITU), Illinois Institute of Technology offers exceptional preparation for professions that require technological sophistication, an innovative mindset, and an entrepreneurial spirit.

The programs of study and requirements laid out in these bulletins apply to all students who enter Illinois Institute of Technology for the first time in the 2023-2024 academic year.
