English Studies -- Cultural Enrichment

This course is designed to introduce international students to Chicago and American culture while providing opportunities to improve English communication and conversational skills.

The course will consist of classroom lectures, discussions, and cultural excursions to events and famous sites in Chicago. English language strategies learned in class will be reinforced by field trips, discussions, structured listening and speaking activities, and readings involving current topics. The course will provide students with real-world opportunities to practice English and enjoy cultural outings.
